ANCIENT PRACTICE FOR MODERN WOMEN

The Jade Circle Retreat welcomes the women willing to deepen the Yin Taoist and Jade Egg practice and apply these profound benefits in all levels of their sacred feminine being, reflecting in all areas of their life. Its a continuation of the Jade Egg Holistic Practice initiation, embracing this journey into the Divine Self and sacred sensuality.

- * Deep cleansing & detoxification through self-healing,
- * Cultivation of a compassionate heart,
- * Exploration of the sacredness of the sexual femininity,
- * Blossoming of your Life Force to the fullest,
- * Centre in your power,
- * Taoist Supreme Inner Alchemy,
- * Vitality, inner strength, self awareness and innate happiness,

And more in a safe, comfortable and relaxed environment and beautiful surroundings!

Through Meditation, Shamanic Practices, Advanced Kuan Yin Chi Kung and Dance you'll open the door for:

Living the path of a pleasurable and lovable life, with an open heart and an empowered self!

"In the spirit of sacredness and with a light heart we'll embrace another journey into our feminine mystery, celebrating the gifts and challenges it brings, taking the most of both to create and manifest fulfilment in our life and the lives of the ones around us; as we achieve this harmonious and shining balance of our yin and yang selves, this inner light will spread to the world."
